

# UNIVERSITY EDUCATION (IRELAND).

RETURN to an Order of the Honorable The House of Commons,  
dated 30 June 1879;—for,

COPY "of DECLARATION lately presented to the PRIME MINISTER from the CATHOLIC LAITY  
of Ireland, in favour of the UNIVERSITY EDUCATION (IRELAND) BILL."

WE, the undersigned Members of the Catholic Laity of Ireland, express our regret that the Government failed to introduce a measure in the present Session of Parliament dealing with the important subject of University Education in Ireland.

We feel convinced that a settlement of this question is most urgently needed, and we regard with satisfaction the Bill introduced by The O'Connor Don.

Although its provisions fall short of what the Catholic people of this country might justly demand, we believe that they can, without any sacrifice of their religious convictions, accept it as affording a practical solution of a difficult and pressing question.

We desire to urge on the Government the necessity of passing the Bill into law this Session, and we cannot but regard the refusal to accept such a moderate measure as evincing a determination to perpetuate an injustice which all parties admit ought to be remedied.

The following Noblemen and Gentlemen have signed the foregoing Declaration :—
